## School Visit

Mon, 02 Feb 2021

### Checklist for School Visits

School : Mringa

List	Check	Time
1. Install additional units (If they are available)	TBC	
2. systemCheck	✓	11:24
3. check disk usage (df -h)	✓	
4. run checkUserHomeSize	✓	
5. endOfYearCleanup	✓	
6. updateStudentList	SU will confirm with me	
7. sudo reporter.py	✓	
8. computer & equipments conditions	✓	16
9. count the units (remind schools that had theft that they must replace those units)	✓	
10. remind super user to: <ul style="list-style-type: none"><li>• run systemCheck regularly</li><li>• never use the sysadmin account for their regular teacher work - they must use their personal teacher account</li></ul>	✓	
11. take the photo outside the lab	✓	12:20

### Issues

- They have three laptops that their display have problems. Seems like ink is faded in it.

### Comments

- They are still collecting form one student information for excel fill.

Erick Macky.
